ANNOUNCEMENT

The Hermon Neighborhood Council (HNC) has funds available for the Neighborhood Purpose Grant (NPG) program. The NPG process provides Neighborhood Councils with greater opportunity to benefit their communities while supporting and building partnerships with local organizations.

Eligible organizations include 501(c)(3) non-profits as well as public schools. The Hermon Neighborhood Council particularly encourages applications from organizations interested in planning and executing a community event in Hermon that can be enjoyed by all stakeholders.

Note that the grants cannot be issued to religious organizations or to private schools.

The HNC will award grants in the amount of \$5,000 or less each. Please be specific about your budget and needs, and have a plan in place if your organization is selected but receives only partial funding.

Please visit the following link and look for the Neighborhood Purpose Grant section. There you will find the Applicant Information Package and the NPG Application.

Applications must be submitted to info@hermonnc.org no later than Thursday, August 18, 2022. If chosen as a finalist, your organization may be selected to present your proposal at the Hermon Neighborhood Council General Board Meeting on Thursday, September 8, 2022 (a representative of your organization must be present to be awarded an NPG).

Please also note that a second Call for NPGs will take place in late winter 2023, this call will have different parameters.
